

ZUHRAH PUTRI KARNAIN

081262418545 | zuhrahpk@gmail.com | <https://www.linkedin.com/in/zuhrahpk7>

Tangerang Selatan, Banten

Bachelor of Chemistry graduate from Syiah Kuala University. Has experience in managing laboratory equipment, providing simple chemical solutions, titration, making laboratory reports, inventory of materials, qualitative & quantitative analysis, operating UV-Vis instruments and contributing to independent research projects. Interested in chemistry related jobs such as Staff Analyst, Laboratory Staff, Quality Assurance (QA)/Quality Control (QC), and Research & Development (R&D).

Work Experiences

Dinas Pendidikan dan Kebudayaan Aceh Selatan - South Aceh

Jul 2024 - Jan 2025

Internship/Human Resources Staff

- Responsible for making weekly and monthly reports on activities that have been carried out.
- Responsible for collecting teacher data for each school in South Aceh for data adjustment.
- Collecting and processing work materials, coordinating, facilitating the implementation of administrative and human resource development fields

UPTD Balai Laboratorium Kesehatan (BLK) dan Pengujian Alat Kesehatan (PAK) - Banda Aceh

Jun 2022 - Jul 2022

Internship/Staff Analyst

- Responsible for analyzing the content of 5 water samples/day with physical parameters such as salinity, temperature, turbidity, color, odor and Total Dissolved Solid (TDS) analysis.
- Responsible for analyzing the content of 5 water samples/day with chemical parameters such as analysis of acidity level (pH), acidity, alkalinity, chlorine, hardness, dissolved oxygen (DO), Biological Oxygen Demand (BOD), and Chemical Oxygen Demand (COD).
- Responsible for analyzing 5 samples/day of free chlorine (Cl₂) and cyanide (CN) content.
- Making reports of all test results with predetermined quality limits.

Education Level

Universitas Syiah Kuala - Banda Aceh

Aug 2019 - Nov 2023

Bachelor, 3.62/4.00

- Initiated independent research on Red Algae for the separation of methylene blue and remazol brilliant yellow FG dyes.
- Acted as a laboratory assistant in Physical Chemistry, helping 20 students/class understand key concepts through additional tutorials that increased the class average by 15%.
- Acted as a tutor for Basic Chemistry courses, helping 20 students/class understand key concepts through simpler explanations and increasing the class average by 15%.

Organisational Experience

Student Executive Board of the Faculty of Mathematics and Natural Sciences, Syiah Kuala University

Feb 2022 - Jan 2023

Head of Environmental Division, Social Community Sector

- Coordinate all work programs of the Environmental division with the secretary and head of the Social Community Division.
- Evaluate 3-4 work programs every week with other BEM management leaders.
- Coordinate all members of the Environmental division to participate in all activities.

Chemistry Student Association (HMK)

Jan 2022 - Jan 2023

Secretary of Public Relations

- Coordinate all work programs with the Head of Public Relations.
- Create 2 accountability reports every week for the work programs that have been carried out.
- Connect between organizations/agencies within the faculty and university.

Skills, Achievements & Other Experience

- **Soft Skills:** Microsoft Office, Teamwork, Problem Solving, Self Motivation, Critical Minded.
- **Hard Skills:** Chemical Analyst
- **Volunteer** (2023): Community Service Program in Sp. Uning Pegantungen, Aceh Tengah
- **Volunteer** (2021): Community Service in Reulung Geulumpang Village
