Bekasi City, West Java

I am a fresh graduate with a major in Animal Husbandry from the Faculty of Animal Science at Jenderal Soedirman University with a GPA of 3.65 out of 4.00. Successfully graduated on time within 3.9 years. I have experience in several organizations, volunteering, internships, and have also worked as a laboratory assistant. Fast-learner, communicative, adaptable, and able to work with team or individually. Always look for opportunities and challenge which I can develop my skill and giving an impact for others.

PROFESSIONAL EXPERIENCES
