SUMMARY

As a graduate of the Chemistry Department at the University of Jember in 2024, I participated in several activities during my college years and became a laboratory assistant for 2 courses. I have perseverance in learning, have good communication skills, and can work individually and in teams. I am interested in pursuing career in Quality Control (QC), Quality Assurance (QA), Research and Development (R&D), and Laboratory Analyst. I am willing to contribute and grow in a dynamic work environment. I am committed to learn, grow, and do my best in every job.

EXPERIENCE

Laboratory Assistant for Elemental Chemistry

Feb 2024 - Jun 2024

- Prepare and check tools and chemicals before and after practicum.
- Guided students in the practicum of reaction of EDTA complex compounds as well as sulfur and nitrogen
- Coordinated with lecturers in evaluating practicum reports and grading work for 60 students.

Laboratory Assistant for Inorganic Reactivity Structures

Aug 2023 - Des 2023

- Prepare and check tools and chemicals before and after practicum.
- Guided students in the practicum of acid strenght in cellulose hydrolysis.
- Coordinated with lecturers in evaluating practicum reports and grading work for 43 students.

Student Executive Board of the Faculty of Mathematics and Natural Sciences

Apr 2021 - Nov 2021

Internship Staff of Organization Development Department

- Collaborate with SEB members to ensure the smooth running of work program activities.
 - Assist in the planning, implementation, and evaluation of SEB's work programs.
 - Learn about leadership, organizational management, and teamwork.
-

EDUCATION

Universitas of Jember

2020 - 2024

Bachelor of Science in Chemistry - GPA: 3.36/4.00

- Thesis tittle: Synthesis of $\text{TiO}_2/\text{Cu}_2\text{O}$ Composite by Hydrothermal Method with Variation of TiO_2 Mass Percentage on Diazinon Photodegradation

Activities and Society:

- Public relations division staff for HIMAKI "Zirconium" Anniversary (2022)
- Event division staff for PPMB Chemistry Department (2021)
- Public relations division staff for HIMAKI "Zirconium" Anniversary (2021)
- Liaison Officer Staff for PPMB Faculty of Mathematics and Natural Sciences (2021)

SKILLS

- Microsoft Office (Word, Power Point, Excel)
 - Canva
 - Origin
 - ImageJ
 - English (intermediate)
 - Adaptation
 - Communicative
 - Data Analysis
 - Laboratory Skill
 - Problem Solving
 - Time Management
 - Teamwork
-

SERTIFICATION

Makin Ahli

May 2025

- Good Manufacturing Practices (GMP) - Online Training
- Hazard Analysis and Critical Control Point (HACCP) - Online Training
- Food Safety Management System (ISO 22000:2018) - Online Training
- Food Safety System Certification (FSSC 22000 version 6.0) - Online Training
