

Master Degree's Fresh Graduate of Animal Science.
Experienced as Researcher & Administration Staff.
Eager to learn, dedicated person, and focus on detail.

I have just graduated in January 10th, 2023 from Universitas Brawijaya Master Degree's Fastrack Program of Animal Science Studies. I am focused on detail, hard working & fully dedicated person, and enthusiastic to learn a lot of new things, so I learnt some topics related to the industries to improve my skills & knowledges. I have some experiences as Researcher and Administration Staff, but I am really open for any opportunities and expecting long-term career position in a company.
