### **Summary**

experienced as a warehouse staff where every day processes and distributes goods according to the intended address. in the shipping process must have good time management because all will affect the level of customer satisfaction. from that I really appreciate the time and experience that I have.

### **Experience**

#### **Warehouse Staff**

JNE Logistic Malang | February 2024 - Current

- The first stage is receiving goods from the Surabaya warehouse which is a representative of the East Java region. Preparing Leader Business Trip ad requirement
- Next, the process of sorting goods by inputting barcodes according to the region, after that the goods are separated according to their respective regions and no less important, rechecking dangerous goods or fragile goods. If there are fragile goods, the goods are given stickers so that they are not thrown or more careful.
- recheck by re-scanning the items to see if they are in accordance with the address. then the shipping process is in accordance with the address

#### **Field Extension Officer**

PT. Haida Agriculture Indonesia | Maret 2022 - Maret 2023

- looking for a village location that has livestock potential
- coordinate with local authorities to request permission to conduct outreach, and ensure appropriate implementation times.
- The next step is to educate the community about Haida Feed and explain in detail about things to consider when feeding livestock. Feeding must also be in accordance with the time and amount that has been determined.
- After conducting counseling, the next step is to conduct an evaluation with the leadership to see what still needs to be improved.
