

Hilmi Muqorobin

SUMMARY

The 22-year-old fresh graduate has gained significant experience since college, starting as a young staff member at the Ministry of Home Affairs in the student executive body. I have been involved in coordinating between villages during a campus activity known as community service (KKN). In addition, I completed an internship at PT. Semesta Mitra Sejahtera, which is under the umbrella of PT. Charoen Pokphand Indonesia. This individual is goal-oriented, possesses broad insights, and has strong analytical skills.
