+62895619221697 | andrewputra@icloud.com | linkedin.com/in/andreputralamuka | Tihawa, Kabupaten Gorontalo, Indonesia.

A Fresh Graduate From Gorontalo State University, Department of Biology, with a GPA of 3.76. I actively participated in Several Organizational activities. I also have several internship experiences in companies. I personally have an interest in working in the fields of Microbiology, Biomolecular, and Biochemistry. In addition, I can also operate computer software such as (Mega 11, MVSP 3.1, Excel, and Word).

### Work Experiences

---

**Laboratorium Jurusan Biologi – Universitas Negeri Gorontalo** (February 2022 – June 2025)

*Laboratory Assistant – Internship*

Laboratory of Biology Department, Gorontalo State University, is a facility that supports learning and research in biology. During my time in this role, I have been involved in various areas, including as :

**a. Microbiology Assistant**

- Coordinate the implementation of microbiology practicum related to the operation of microbiology tools, preparation of culture media, aseptic and sterilization techniques, isolation and purification.
- Characterization of colonies and microbial cells.

**b. Biochemistry Assistant**

- Conduct laboratory tests on product results including pH, carbohydrates, proteins, vitamins, enzymes, and other related tests.
- Responsible for duplicating and checking laboratory equipment and materials

**c. Genetics Assistant**

- Assist students in conducting genetics experiments, such as DNA isolation, chromosome staining, or analysis of trait inheritance patterns.
- Responsible for duplicating and checking laboratory equipment and materials.

**d. Zoology Assistant**

- Support practicum related to animal anatomy, physiology, and classification.
- Provide animal specimens for observation and assist students in the identification of animal characteristics.

**Laboratorium Agensi Hayati – Kabila, Gorontalo** (July 2024 - January 2025)

*Laboratory Analyst – Internship*

The Biological Agents Laboratory is an institution that focuses on research and development of biological agents, conducting exploration, isolation, and propagation of biological agents used to control pests effectively and environmentally friendly.

- Collect and identify samples (soil, plants, microbes).
- Isolate and culture microorganisms for research.
- Perform laboratory tests (Microscopy, spectrophotometry, etc.).
- Conduct tests on biopesticides, biofertilizers, or other biological agents.
- Record and analyze the results of the experiment.
- Collaboration and Development.

**Research Assistant Lecturer – Universitas Negeri Gorontalo** (July 2024 - Maret 2025)

*Assistant Lecturer – Full-Time*

Research Assistant Lecturer (Dr. Yuliana Retnowati S.Si., M.Si. & Prof. Dr. Novri Youla Kandowangko, M.P)

- Exploration of *Actinomyces* Producing indole acetic acid, and Phosphate Solubilizers in Com Rhizosphere in Gorontalo as Plant Growth Promoting Rhizobacteria

- Exploration of Antibiotic-Producing *Actinomycetes* in the Rhizosphere of Pandan Wangi (*Pandanus amaryllifolius*) and Analysis of Antibiotic-Producing Gene Clusters.
- Exploration of *Actinomycetes* in Plant Rhizosphere in Gorontalo Karst Ecosystem as Growth Promoter of Rhizobacteria.

### Education Level

**Universitas Negeri Gorontalo** – Gorontalo, Indonesia (July 2021 – March 2025)  
*Sarjana 1 (S-1) in Biology, 3.76/4.00*

**Universitas Gadjah Mada** – Yogyakarta, Indonesia (August – December 2023)  
*Student Exchange of MBKM, 3.73/4.00*

**SMAN 1 Tibawa** – Gorontalo, Indonesia (August 2018 – Mei 2021)  
*Sekolah Menengah Atas (SMA) in Natural Science, 90.18/100*

### Organisational Experience

**Himpunan Program Studi Biologi (HMPS BIO) - UNG** (July 2023 – January 2024)  
*Ketua Bidang Informasi & Komunikasi*

- Managing and Developing Communication Channels
- Developing an Effective Communication Strategy
- Team Coordination and Task Sharing
- Creating Creative Content
- Organizing Training and Workshop
- Evaluation and Reporting

**Himpunan Mahasiswa Jurusan Biologi (HMJ BIO) - UNG** (May 2024)  
*Ketua Panitia Bioedupreneurship Expo*

- Leading and coordinating committee members in the planning and implementation of the Bioedupreneurship Expo event.
- Managed the timeline of activities, prepared the budget, and ensured that all divisions worked in sync to achieve the event's objectives.
- Contributed to the development of an innovative event concept to combine aspects of biology and entrepreneurship.
- Improved leadership, communication, and problem solving skills on a large-scale event.

### Skills, Achievements & Other Experience

- **Hard Skills** : MEGA 11 (*Molecular Evolutionary Genetics Analysis*), MVSP (*Multivariate Statistical Package*), Microsoft Excell (Pivot Table, Hlookup, Vlookup, Count, IF), Canva (Poster & Banner Design), Teknik Laboratorium, Uji Biokimia dan Molekuler, Analisis Mikrobiologi dalam industry, Manajemen data & Pelaporan, and Biosafety & Biohazard Handling.
- **Soft Skills** : Adaptable, Good Teamwork, Time Management, Curiosity, Detail Oriented, Problem Solving, Good Communication.
- **Prestasi** (2022): Silver Medalist in BIPA OLYMPIAD competition (Biology and Science Olympiad Level: National).
- **Prestasi** (2023): Fifth best in the National Olympiad of Mathematics and Natural Sciences at the College Level (ONMIPA-PT).

- Prestasi (2023) : Participants of the Merdeka Student Exchange, Program MBIKM (Merdeka Belajar Kampus Merdeka) at Gadjah Mada University.
- Prestasi (2024): The best presenter of the 1st National Seminar organized by the Department of Food Technology, Faculty of Agriculture, Gorontalo State University with the research title " Analisis Proksimat Makronutrient Pada Nugget Berbahan dasar Kerang darah dan Ikan Nila.
- Prestasi (2024): Best presenter 1 of the 4th National Seminar on Biology and Science with the Theme: "Evolution and Conservation: Wallacea Biodiversity in the Perspective of Education and Science" organized by the Department of Biology FMIPA, Gorontalo State University with the Research Title "Actinomycetes Pelarut Fosfat dari Rhizosfer Tanaman Jagung (*Zea mays*) di Gorontalo.
- Publication (2023): Fermentasi Sorgum (*Sorghum bicolor*) Menggunakan (*Rhizopus oligosporus*) Sebagai Sumber Alternatif Karbohidrat. Journal : Mitata Jurnal Penelitian.
- Publication (2023): Analisis Uji Proksimat Pada Ikan Ros (*Hemirhamphus* sp) Asap Yang Di Jual Di Pasar Central Gorontalo. Journal : Mitata Jurnal Penelitian.
- Publication (2024): Analysis of microbial diversity in pesticide-contaminated soil: A study of culturable microorganisms. Journal : Environmental and Materials Journal.
- Publication (2025): Phosphate Solubilizing Actinomycetes In The Rhizosfer Of Corn (*Zea Mays*) Plant In Gorontalo. Journal of Advanced Research.
- Publication (2025): Utilization of mangrove wood by coastal communities: a study on the ecological and economic impacts. Journal : Mangrove Watch.
- Publication (2025): Isolation and Identification of Pathogenic Fungus on *Oryza sativa* Plant in Dulomo Utara, Gorontalo City. Journal of Advanced Research.
