Pendidikan Terakhir : S1 Peternakan

Saya ingin menyatakan minat saya untuk berkontribusi dan mengembangkan karier di industri yang relevan dengan latar belakang pendidikan dan pengalaman saya sebagai Sarjana Peternakan. Saya percaya bahwa dedikasi dan semangat saya akan menjadi aset berharga bagi perusahaan yang memiliki visi dan misi sejalan dengan nilai-nilai yang saya anut.

Saat menjalani pendidikan di bidang Peternakan, saya telah mengembangkan keahlian dalam manajemen bisnis atau produksi ayam broiler serta pemeliharaan ternak secara umum. Pengalaman saya selama studi dan proyek-proyek kuliah telah membekali saya dengan pemahaman mendalam tentang prinsip-prinsip peternakan yang efektif dan berkelanjutan.

Pengalaman magang saya sebagai *Field Development Associate* di EDUFARMERS INTERNATIONAL telah memberikan pandangan langsung tentang dinamika industri peternakan. Selama magang, saya terlibat dalam berbagai aspek dari pengembangan dan pemeliharaan ternak, yang telah memperluas pengetahuan saya tentang tantangan dan peluang dalam industri ini. Selain itu, partisipasi aktif dalam organisasi kampus telah memperkuat kemampuan komunikasi dan kerja tim saya, serta mengasah kemampuan untuk beradaptasi dalam lingkungan yang berubah dengan cepat.

Saya antusias dengan prospek untuk berkontribusi dalam lingkungan pekerjaan yang inovatif dan kolaboratif. Saya percaya bahwa latar belakang pendidikan dan pengalaman saya telah mempersiapkan saya dengan baik untuk berperan dalam industri peternakan, dan saya berharap untuk memperluas wawasan saya serta menjalin kolaborasi yang bermanfaat dalam perusahaan yang saya pilih untuk bergabung.

Saya sangat berterima kasih atas kesempatan ini dan harap dapat berdiskusi lebih lanjut tentang bagaimana bakat dan pengalaman saya dapat mendukung tujuan perusahaan. Lampiran CV saya memberikan informasi lebih detail tentang latar belakang dan pengalaman saya. Terima kasih atas perhatian Bapak/Ibu. Saya berharap dapat berbicara lebih lanjut dalam wawancara.

Hormat saya,

Agustin Marlili Artika
