OBJECTIVE: *Admin Production*

I graduated from IPB University. During college, I am active in organizations, being a practicum assistant and developing digital designs. I also have internship and field experience at a feed mill. I have a high interest and aspiration in the administrative field. I am a fast learner, conscientious, disciplined, and adaptable.

EXPERIENCE

Meat and Animal Nutrition Laboratory | IPB University August 2022 – June 2023
Practicum Assistant (Ruminant Meat Biosynthesis Nutrition Course & Livestock Nutrition and Various Conservation Animals Course)

- Responsible for accompanying 100-150 students in practicum classes by creating relationships and encouraging learning in a fun, connected atmosphere.
- Controlled and directed “*Project Based Learning*” activities in raising goats for 14 days so that they were by applicable operational standards.
- Assessed weekly practicum assignments and recapitulated data on the final scores of 100+ students.

INNOVATIVE FEED PRODUCT | PT WARBIS August – Nov 2022
IPB Nutrition and Feed Technology Department Independent Campus Learning Internship Program

- Analyzed feed ingredients through physical tests and calibration of moisture content.
- Produced feed wafers according to factory standards.
- Evaluated feed wafer products by giving them to sheep with good palatability test results.

Nutrifeed Industry | KJUB Puspetasari Klaten, Central Java 10 - 27 January 2022
Head of Field Practice

- Controlled and assisted in sampling incoming feed raw materials for analysis in the laboratory.
- Recorded and checked data on 20+ incoming and outgoing raw materials
- Monitored and recorded the maximization of the use of raw materials in the manufacture of feed, as well as observing problems that occur during production and making solutions through reports on field practice activities.

ORGANIZATION

Branding and Publication Staff | HIMASITER IPB December 2020-November 2021

- Maintained and uploaded 2-3 posts related to animal science weekly on Instagram.
- Responsible for resume and uploading >5 animal husbandry materials on the Himasiter website.
- Edited and uploaded 2 videos about livestock education on YouTube Himasiter.
- Received an award for May’s best staff and was chosen as the best feed design.

General Secretary | Unit Kegiatan Mahasiswa (UKM) Karate IPB December 2020-November 2021

- Managed all general administration and activity end reports for 5 mega projects and 40+ member data.
- Compiled the agenda and documented the results of the meeting decisions to make them easier to review.
- Monitor and evaluate the activities of UKM Karate IPB work program.
- Coordinated the team and managed the administration of UKM activities to invite 3+ great Indonesian karate athletes, as seen from the enthusiasm of the online participants who exceeded the target.

EDUCATION

- **Bachelor of Animal Husbandry** in IPB University August 2019 – July 2023
Majoring of Nutrition and Feed Technology
GPA: 3.67 out of 4.00
- **Senior High School 6 Purworejo** – Purworejo, Indonesia 2015 – 2018
Department of Mathematics and Natural Sciences
