ABOUT ME

I would like to introduce myself. I'm Ilham Ramadhan – Fresh graduate from Brawijaya University majoring Animal Science. A highly motivated Animal Science graduate with a strong interest in livestock production, quality control, and animal feed technology. Skilled in laboratory analysis, research, and fieldwork with hands-on experience in quality assurance and livestock management. Detail-oriented, eager to learn, and capable of working both independently and in a team. Passionate about improving livestock productivity and feed efficiency.
