

QORRY NURUL HASANAH

Bogor, West Java | +6282283322913 | qorrynurulhasanah@gmail.com

I am a graduate of the IPB Graduate School, majoring in Animal Nutrition and Feed Science. I have a strong interest in the fields of Animal Nutrition and livestock more broadly. I am motivated to start a career in the livestock sector and apply the knowledge I have gained during my studies. I am an adaptable, proactive individual, communication skills and ready to grow in a dynamic environment.
