<https://www.linkedin.com/in/vianavia>

I am the type of person who likes to work quickly and precisely. This year, I am 27 years old. I have been working since I was in college so I am ready to face various challenges. I am very good at working alone or with a team, I adapt quickly, I always detail-oriented to processes and results. I am open to receiving criticism and suggestions. I am willing to be relocated and quick-learner. Specializes in project implementation and management.
